

Delivering Hope to the Destitute

Covid - 19 Relief Project: Bringing Hope to the Poor

"HEART BREAKING NEWS FROM INDIA"

Subject- Delivering hope to the Destitute!

We have very sad news from the villages, and we have found them in a very pathetic condition. There are so many single mothers and families who is living under poverty line, these poor villagers are suffering without food and basic needs in this lockdown situation. Due to this problem many poor people have been suffering every day, and they don't have any hope to overcome from their struggle. It is very hard to see such bad situation among these people.

And we felt very sorry and it grieved our hearts as Elimkyrkan and Stöpen Pentecostal kyrkan missionary in India.

The Impact of COVID – 19 is shocking. Life has changed dramatically for most of us over the past few weeks. The effect on the poor families who is been living their lives in under poverty particularly evident as the loss of income and loss of childcare option, can result in isolation, fear, and despair.

Through your financial partnership, hope will be delivered to the poor families and the single moms and their kind in the form of food and other basic needs, along with life – giving Gospel of Jesus. Your generosity will provide relief to these families in our localities in North Bengal – India, who are also feeling the impact of COVID – 19.

This is time to share the Living Gospel through all our good deeds and love with sharing hearts.

We are distributing food and basic needs to the poor people in India, you all can swiskji9 to in Elim Holding Hands account to help them: - "Swish Number - 123 181 65 52"

Your Generous Help will make a Big Difference in their Lives. Thanking You all!

In HIS Service,

(Pastor Nurla Khan & all the family of Elim Holding Hands Ministry, West Bengal – India)
